### ELIGIBILITY AND PURPOSE OF THE IMDA

Members of the Association shall be individuals engaged in metal decorating employing printing and/or coating processes or shall be individuals engaged in supplying products, equipment, or services utilized in the metal decorating process embodying the printing or coating of metal. Eligibility also includes individuals who specify, create, or design metal decorated products.

The purposes of this Association are to foster and encourage improvements and advances in the art of metal decorating and the industrial progress of the metal decorating trade by all lawful means; to stimulate the interest of the members of the Association in improvements in mechanical, technical and manufacturing phases of the metal decorating industry to the end that member concerns may be better informed as to developments in the industry and by the application of such knowledge, may improve the quality and standard of the work performed by them; to disseminate among its members information as to improved and efficient methods for the general handling of their business; to foster, maintain and encourage amicable relations among members of the Association and their employees; to foster and encourage social exchange among individuals engaged in the industry.
